ABOUT

OVERTAKE LOGISTICS

Overtake Logistics is a team of dedicated professionals with years of experience in carrier and fleet management.

Coming from a strong trucking background, we truly understand the real challenges faced by independent truckers as well as owner-operators managing their fleets.

With extensive industry experience and a new generation of logistics solutions, we have built a system that redefines the way dispatch and trucking services are managed. Our focus is on efficiency, transparency, and profitability for every carrier we work with.

THE PHILOSOPHY OF OVERTAKE LOGISTICS

Overtake Logistics is a **specialized Carrier Management** company focused primarily on

- **New MC Support & Setup** (helping new carriers get started smoothly)
- **Professional Dispatch Services** (keeping your trucks loaded and moving)
- **24/7 Operational Support** (so you never feel alone on the road)
- **Compliance Guidance** (FMCSA, DOT, and state-level regulations)
- **Raising the Income Stream of Our Valued Customers** (maximizing carrier earnings through efficient dispatching and load planning)
- **Managing All the Processes Involved in the Operations** (from load booking to delivery, ensuring smooth and stress-free management)

HOW DO WE ACHIEVE SUCCESS FOR YOUR BUSINESS

We do that by matching our **interstate long haul** and **intrastate dedicated long-term projects** from a huge **network of top freight Brokers & Shippers** and all the **mainstream load boards**.

Our dedicated **personal managers** and their **team of virtual dedicated truck assistant** take care of all the processes involved in running your carriers from setting up a carrier packet to roadside assistance, from payment follow-ups of matters like detention,TONU, etc. to record-keeping and from factoring to invoicing.

GEOGRAPHICAL COVERAGE

Our ever expanding network of top freight Brokers & Shippers empowers us to **cover Coast to Coast**. We run **dedicated projects in all the major lanes** thorughout the country providing our customers with a lot of options to choose their preferences as per their ease.

SUCCESS STORIES

"**Overtake Logistics** has transformed the way we used to work and taken the redundancy out of our processes. They kept their promise to increase our income stream and simplify the processes involved in operations.

MIKE - TITAN POWER TRANSPORT

I was in a lot of debt due to a loan but unfortunately, things didn't work and I received a call from **Overtake Logistics** and they decided to help me out and were very confident. I did not even have money for fuel, Harvey from **Overtake Logistics** got me loads with fuel advance for the next 2 months and I was able to make enough money to save my business.

WILLIAM CAMEL - SWIFT HAULING LLC

“I just love working with this team. They have been recommending their customers to us for their insurance needs without any incentive other than customer satisfaction. I have never seen such a dedicated team toward their customers as Overtake Logistics."
